**RE: *Salem Media of Illinois, LLC, et al. v. J.B. Pritzker, et al.*  
Case No. 20 CV 3212 (N.D. Ill.)**

Dear Counsel:

I am writing on behalf of Governor Pritzker and his press secretary, Jordan Abudayyeh. As we discussed, your client, Ms. Jacobson, is eligible to participate in the Governor's press access on the same basis as other journalists. Ms. Jacobson's access to the WebEx videoconferencing platform was previously restored, although that process is no longer being utilized. In addition, as a courtesy, we added her to the Governor's press release link, so that she will receive a daily e-mail with the Governor's schedule, press releases, and other mass communication.

As Governor Pritzker moves back to in-person press events, we want to make it clear that Ms. Jacobson remains invited to attend and participate. In short, Ms. Jacobson may participate fully in the Governor's press access, including but not limited to press briefings and conferences, to the same extent that any other media is allowed to participate.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Michael T. Dierkes
